

Municipalities that licence motorized vehicles use customized licence plates. Typical information on the plates includes name of municipality, type of licence, year for which licence is valid and sequential numbers. Novelty licence plates are also available for groups and organizations by quotation. For stationary plates validation stickers are offered for the current year.

Uses:

Municipal Licence Plates identifying vehicles may read:

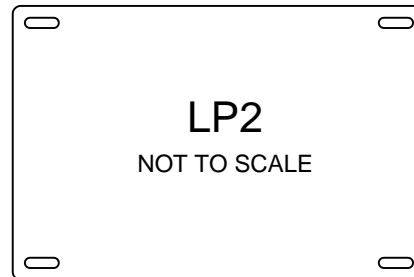

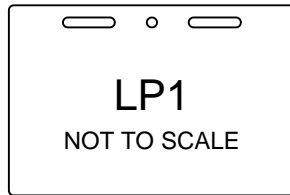

- Taxi, Tow Truck, Limousine, Refreshment Vehicle, Vendor, Driving School, Commercial, Accessible Taxicab, Dock

Materials:

- .024 aluminum – White baked enamel background

Sizes:

- LP1- 5-3/8" x 3-3/4"
- LP2 - 8-1/4" x 5"

Holes:

- LP1 – 2 slots (3/4" x 3/16") with a 3/16" center top hole or 4 corner holes 1/8" or 1/4"
 - LP2 – 4 corner holes (1/8" or 1/4") or slots (1/2" x 1/4")
- Specify one of these standards at time of order**

Text:

The size of embossed (raised) letters is determined by the length of the wording. However, for average text the letters are approx 3/8" - 5/8" high; the text for the year 1/2". Sequential numbers are 7/8" on style LP1 and 1-7/8" on style LP2. Colour options for border and wording are: Red Blue, Black or Green

LOGOS, ADDITIONAL COLOURS or SPECIAL TEXT AVAILABLE BY QUOTATION.
